

Everywhere That You Go

Out Of The Grey

Everywhere that You go
I will go too
Everywhere Your love goes
I'll be there too
Even when I can't see
Where You're leading me
Everywhere that You go
There I will be

I'll be Your hand, Lord
To the heart in need of a tender touch
And soothe the struggles of the soul

Everywhere that You go
I will go too
Everywhere Your love goes
I'll be there too
Even when I can't see
Where You're leading me
Everywhere that You go
There I will be

I'll be Your voice, Lord
And speak the truth to a troubled mind
And soothe the spirit with Your words

Everywhere that You go
I will go too
Everywhere Your love goes
I'll be there too
