

## I Can Wait

Out Of The Grey

I can see the train just out my back door  
As it passes by  
My heart races somewhere down the tracks, Lord  
I want so much more from life  
But I know that you won't leave me here  
Forever in this place

I can wait  
For you I will be patient  
I can wait, I can wait

When I hear the whistle in the distance  
Something in me stirs  
Faith in You is more than wishful thinking  
Someday it will be my turn  
So I'll keep the dream of better places  
Running through my veins

I can wait  
For you I will be patient  
I can wait, I can wait  
I can wait  
No matter how long it takes  
I can wait, I can wait

I'm dizzy from the days of disappointment in this life  
Turning and returning once again  
But they unwind in this invisible line  
And I know I'll see You at the end of it all

I can wait
