I can see the train just out my back door
As it passes by
My heart races somewhere down the tracks, Lord
I want so much more from life
But I know that you won't leave me here
Forever in this place

I can wait
For you I will be patient
I can wait, I can wait

When I hear the whistle in the distance Something in me stirs Faith in You is more than wishful thinking Someday it will be my turn So I'll keep the dream of better places Running through my veins

I can wait
For you I will be patient
I can wait, I can wait
I can wait
No matter how long it takes
I can wait, I can wait

I'm dizzy from the days of disappointment in this life Turning and returning once again But they unwind in this invisible line And I know I'll see You at the end of it all

I can wait
