

Attention

Outasight

So come a little closer
I'm an icon, put me on a poster
Rockstar on your bedroom wall
I got you now right where I want, huh
Everything [?]
Don't you forget it now, I'm revvin' up my engine
Vroom-vroom, so come catch a contact
Ring the alarm like a motherfuckin' bomb threat

Huh, I'm on a whole 'nother level, woo-woo!
I'm on a whole 'nother level, woo-woo!
I'm on a whole 'nother level
Legendary status, no one does it better, so

So pay attention, eyes on me, woo!
So pay attention, eyes on me, woo!
So pay attention, watch and see, uh
Did I mention? I like the attention
So pay attention, eyes on me, woo!
So pay attention, eyes on me, woo!
So pay attention, watch and see, uh
Did I mention? I like the attention

Watch me right now
Watch me, watch me right now
Watch me right now
Watch me, watch me right now
Watch me, watch me, watch me, watch me, watch me right now
Watch me, watch me, watch me, watch me, watch me right now

Posted up, sipping an iced coffee
Take a picture, ooh, the 'fit so bossy
My glow remarkable, glossy
Unstoppable, haters, get off me, hah
Everything phenomenal
Name on the honor rolls like I won lotto, bro, yeah
So watch me now vibrate
Levitating on a whole new mind state

Huh, I'm on a whole 'nother level, woo-woo!
I'm on a whole 'nother level, woo-woo!
I'm on a whole 'nother level
Legendary status, no one does it better, so

So pay attention, eyes on me, woo!
So pay attention, eyes on me, look out!
So pay attention, watch and see, uh
Did I mention? I like the attention
So pay attention, eyes on me, woo!
