Do Something Crazy

Outasight

Go, go, go, go, go, go
Do something crazy
Okay
Wooh

I wanna live like it's Mardi Gras and
Go dumb with my whole squad and
Don't need no R&R
To regular life, I say au revoir
Hey, living life in the fast lane
May your pain only be champagne
So, please come join me
One thing: good vibes only

I just tapped a keg
I'ma fill my cup
Got fireworks, got booze
Let's blow some shit up
Tonight I'm going stupid
Doing things I've never done
We all got one thing in common
We just wanna have fun, hey

Go, go, go
(What you wanna do?)
Go, go, go
(What you wanna do?)
We about to do it
We about to do it
Do something crazy
Hey, wooh
Hey, do something crazy
Do something crazy
Do something wild
Be someone different
Switch up the style

Come by, bring a thirty rack
New grill and a bunch of snacks and
Where we going you don't need a map
You don't need a nap, you don't need Jack
Except lots of people, some very loud speakers
Cold drinks and the reefer
Come join me
One thing: good vibes only

I just tapped a keg
I'ma fill my cup
Got fireworks, got booze
Let's blow some shit up
Tonight I'm going stupid
Doing things I've never done
We all got one thing in common
We just wanna have fun, hey

Go, go, go
(What you wanna do?)

Go, go, go

We about to do it

Do something crazy
Hey, wooh
Hey, do something crazy

Do something wild

Switch up the style

Okay
Do something crazy
Yeah
Break it down
Do something crazy
Do something crazy

I just tapped a keg
I'ma fill my cup
Got fireworks, got booze
Let's blow some shit up
Tonight I'm going stupid
Doing things I've never done
