Fire It Up

Outasight

(Brp
Hahaha...
Yeahhhh, woo!
Yah!)

When you're me every day summertime (new high)
Ain't no question, I'm doing fine, look
Have your people come and call mine
I check my schedule, I got no plans to unwind (I'm free)
And I'm glad you made it (yeah)
No cap like I graduated
Infatuated with how far I take it
And my robot voice (awesome mode activated)

And I don't know what you been told
But I ain't takin' it easy
And I don't know what I'm gonna do
But it's gonna be fun, believe me
Every day you get to celebrate
But I don't need a reason
Strap me up, let me catch a wave
I'ma tell y'all how I'm feeling

Getting louder now (louder!)
Getting louder now (ooh-ooh!)
Come on, come on, don't slow it down
Y'all know what this is all about

I wanna fire it up
(Yeah! Yeah!)
You know what I came to do
I wanna fire it up
(Woo! Haha, yeah!)
You know what I came to do

And there's no discussion
I'm the dude in a robe drinking White Russians (whoa)
Bottom bar, top shelf
My car all stealth
I preach good health, good wealth
If it's too loud you too old
[?]
Boss like Hugo
My checks come sumo
Y'all can't do it like I do
(Um, sir, this is a drive-through)

And I don't know what you been told
But I ain't takin' it easy
And I don't know what I'm gonna do
But it's gonna be fun, believe me
Every day you get to celebrate
But I don't need a reason
Strap me up, let me catch a wave
I'ma tell y'all how I'm feeling (let's go)

Getting louder now (ooh!)

Getting louder now
Come on, come on, don't slow it down
Y'all know what this is all about

I wanna fire it up
(Yeah!)
You know what I came to do
I wanna fire it up
(Woo! Woo!)
You know what I came to do

I wanna fire it up
Fire it up
Fire it up
You know what I came to do
I wanna fire it up
Fire it up
Fire it up
You know what I came to do, woo!

(Woo! What's that?)

I wanna fire it up
(Yeah!)
You know what I came to do
I wanna fire it up
(Woo! Woo!)
You know what I came to do
I wanna fire it up
