

Higher

Outasight

Now listen here

All I know, only way to go is up

So it's 3, 2, 1, liftoff

(I'm 'bout to level up on 'em)

Come get a little higher

Purified, there's something to admire

And this is not satire

This is serious biz and I'm well qualified

So strap in for the ride

We about to take off, goin' straight to the sky

It's only a matter of time

We been workin' so hard, now I'm ready to fly, come on

This that unpredictable, real life super vintage flow

With a plan like this, see a man like this sayin' "He got to go!"

I know, yo, I'm on top of the world (I'm on top of the world!)

But I'm tryin' to push farther (To the sky)

Screamin' like K.G., anything is possible or I wouldn't bother

All I know, where I've been before ain't where I'm tryna go

Now listen here

All I know, only way to go is up

So it's 3, 2, 1, liftoff

We're goin' higher, higher

We're only goin' higher, higher

Higher, higher

We're only goin' higher, higher

Pull up, pull up to the function

Living room got the feng shui

My Ouriet Brut champagne with some OJ

Brunch better be chill, make it there one day

One day, for now I'm on the move

Next up on the way to the moon (To the moon)

Hah, I think I found my groove

Radio loud, car with no roof

And it's that unpredictable

Real life future vintage song

With a mind like this, yeah I just can't miss

Say "He in the zone"

I know, yeah, this ain't no accident

No, I work hard to get back again

Ya, I'm still after it

Right to the top, gonna pass ya quick, c'mon

All I know, where I've been before

Ain't where I'm tryna go

Now listen here

All I know, only way to go is up

So it's 3, 2, 1, liftoff

We're goin' higher, higher

We're only goin' higher, higher

Higher, higher

We're only goin' higher, higher

Up, up and away
Up, up and away
Up, up and away
Up, up and away
Up, up and away
Up, up and away

We're only goin' higher (higher, higher)
We're only goin' higher, higher
Higher, higher

We're only goin' higher, higher
Higher, higher
We're only goin' higher, higher
Higher, higher
We're only goin' higher, higher
