

Lost

Outasight

All the stars are out tonight
Shining right here for you
Lost inside the lights yeah
I'm ready if you are too

I know what you're thinkin'
But I don't read minds
I don't have the time no more, no
I know what you're thinkin'
Shut your mouth and [?]
Tonight we'll come alive

Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah

All the stars are out tonight
Brighter than ever before
We can take our time, yeah
But the battle is on the floor

I know what you want now
Rose gold paradise
Fun at any price, oh my, all night
I know what you want now
To shut my mouth and drive
Tonight we'll come alive

Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Everybody sing along

Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap
Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap (Woo!)
Pa-da-pa, pa, pa-dap

Dirty keys from the valet
I'm only playing Frankie Valli
Oh that Pacific coast
Got me feelin' certain ways
Only thing I'd say

Got the old tape deck
In the black [?]
Better show your respect

When I come through the set
They know we the best
Got nothin' else to say again
I ain't outta breath, oh no

Make love, make music, make peace
Make time for the people that believe
Know there's a whole world to see, oh yeah, hah
Make love, make music, make peace
Make time for the people that believe
Know there's a whole world to see, hah

Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Let's get lost
Whoa-ooh, whoa-whoa
Yeah, yeah
Let's get lost
Whoa-ooh, whoa-whoa, ooh-whoa
