Moonlight

Outasight

It's been a long
It feels like everything-go-wrong day, yeah
Turns out you went the wrong way
Now it's relax-and-play-your-favorite-song day (Woo!)
Next step is key (Yeah)
[?] to the recipe (I like it!)
And this destiny
I'm talking you standing here right next to me, I mean

(Woo, woo!) I'm ready to go
You should come fly with me
I'm ready to go
Let's take this all the way

You know you the feelin' from the second that I did it
You know I wasn't kiddin'
[?] from the very first visit
Now I want you to sing along

Tonight
I wanna dance with you under the moonlight
The moonlight, yeah
(Let me sing it again)
Tonight
I wanna dance with you under the moonlight
The moonlight, yeah
(Let me sing it again)

Under the moonlight
Top down in a new ride (skrrt)
[?] down with a smooth vibe
New love [?]

And if you're askin' me
This has to be
A true masterpiece
Let it flow so naturally
Anything else is a catastrophe, I mean

(Woo, woo!) I'm ready to go
You should come fly with me
I'm ready to go
Let's take it all the way

Damn right, I know you love it
When the [?] push your button everything
Turn around real quick
All the sudden never knew it was comin'
Now I want you to sing along

Tonight
I wanna dance with you under the moonlight
The moonlight, yeah
(Let me sing it again)
Tonight
I wanna dance with you under the moonlight
The moonlight, yeah

Oh yeah, alright
Oh yeah, alright
Oh yeah, alright
(Under the moonlight)
Oh yeah, alright
(Under the moonlight)

Tonight
I wanna dance with you under the moonlight
(Under the moonlight)
The moonlight, yeah
(Under the moonlight)

(Under the moonlight)
(Under the moonlight)
(Under the moonlight)
(Under the moonlight)
[Repeat to end of bridge]

I won't let you go
I won't let you go
Won't let you go
I won't let you go, oh

Tonight
I wanna dance with you under the moonlight
(Under the moonlight)
The moonlight, yeah
(Under the moonlight)
Alright (Oh-oh-oh-oh-oh)
(Let me sing it again)
Tonight
I wanna dance with you under the moonlight, yeah
(Under the moonlight)
The moonlight, yeah
(Under the moonlight)

Oh yeah, alright
Oh yeah, alright
Oh yeah, alright
(Under the moonlight)
Oh yeah, alright
(Under the moonlight)

Tonight
I wanna dance with you under the moonlight, yeah
(Under the moonlight)
The moonlight, yeah
(Under the moonlight)
