

NY 2 LA

Outasight

Sold everything I had
Hopped in a cab and I say goodbye
I told my mum and dad I ain't ever coming back and they knew why
Now it's me and my lady and a couple babies finding our way
I'm not sure what's next but I think that's the point when I hit LA

Oohoh I don't wanna think about it
Singing like ohhoh there's no way around it

I'm getting on a big jet plane (big jet plane)
Say goodbye to my old life
Just trying to do my thing (do my thing)
Only open the doors right
With my one gold chain (one gold chain)
I think I'm ready to go back
A one way ticket
You can come visit
Once I get there
NY 2 LA
Ohh ohh ohh ohh
NY 2 LA
Ohh ohh ohh ohh ohh ohh ohh
NY 2 LA

Call my Richie Sean Sean
Feel like white clef (one time)
Let me work
Every time someone calls me sir I throw another dress shirt I earn
Outta sight outta mind
Just because I wear shades don't mean I'm blind
I sorta sound like a mass-a-bass
With a back suitcase to make my way singing out like
Oohoh I don't wanna think about it

Singing like ohhoh there's no way around it

I'm getting on a big jet plane (big jet plane)
Say goodbye to my old life
Just trying to do my thing (do my thing)

Ohh oh oh
All my life I spent my dime
Dreamin of a Hollywood sign
I got a new young state of mind
But now I'm sayin goodbye

Just trying to do my thing (gonna do my thing)
