

Whoa!

Outasight

(Ah yeah) you've got to move your feet
(Ah yeah) ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me, whoa!
(Ah yeah) you got to move your feet
(Ah yeah) there ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me go

It's like I'm back in the basement
No sleep, no time for celebrations
I remember when they said I wouldn't make it
And gave me the drive to see how far I'll take it
I'm 'bout to get, to get my facelift
Running, running but this ain't paper chasing
Mind over matter, Zen meditation
Wipe me down, it's a lotta perspiration

So if I gotta go
I'm gonna go my own way, yeah
I'll put on the show
That's how y'all gon' remember me
And all I know
I don't need a cape to save the day
It's been a rocky road
But I'll stay bold, I'll say
(Let's go!)

(Ah yeah) you've got to move your feet
(Ah yeah) ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me, whoa!
(Ah yeah) you got to move your feet
(Ah yeah) there ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me go

You better watch me go
Take a look around, it's beautiful
When I'm down, my cup was full
What I'm thinking now as I'm in control
I'm in the driver's seat
With the black tints, I need private
Who's the man in charge? That's right, it's me
And I'm finally free, I got a right to be, uh

So if I gotta go
I'm gonna go my own way, yeah
I'll put on the show
That's how y'all gon' remember me
And all I know
I don't need a cape to save the day
It's been a rocky road
But I'll stay bold, I'll say
(Let's go!)

(Ah yeah) you've got to move your feet

(Ah yeah) ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me, whoa!
(Ah yeah) you got to move your feet
(Ah yeah) there ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me go

Oh-oh-oh-oh-oh-oh-whoa
I never thought I'd get this far
Never thought I'd get this far
Whoa-oh-oh-oh-oh-oh-whoa
I never thought I'd get this far
Never thought I'd get this far, whoa

When I was a little kid
I was dreaming this
It's kinda funny that it happened
I'm kinda glad that it happened
I'm grateful that it happened
'Cause I know what would happen
Now you know what happens

(Ah yeah) you've got to move your feet
(Ah yeah) there ain't no stopping me
(Ah yeah) you know that I can't be beat
(Ah yeah) you better watch me, whoa!
(Ah yeah) ain't no stopping me
(Ah yeah) there ain't no stopping me
(Ah yeah) there ain't no stopping me
(Ah yeah) you better watch me go

Oh-oh-oh-oh-oh-oh-whoa
I never thought I'd get this far
Never thought I'd get this far
Whoa-oh-oh-oh-oh-oh-whoa
I never thought I'd get this far
Never thought I'd get this far, no
