Leyla

Outlandish

Ohhhhh Leyla Leyla Leyla Leyla
Leyla she's the light if my life
Ohh she is my morena
Beauty that has always been
Got me thinking about her brown eyes
Got me dreaming about her all night
Siempre liebre
Mi cielo y mi paz

I can't untie
This entangled ribbon
Hands they are tired
When they try they be slipping
I can not bribe
My way out of her prison
Got on my mind
In my heart
And I'm Fallin yeah
I don't why I be trippin
Leyla many hearts in the past she been ripping
Hit me like a tide
I hold on but I'm slipping
Deeper and deeper into her abyss

Ohhhhh Leyla Leyla Leyla Leyla
Leyla she's the light if my life
Ohh she is my morena
Beauty that has always been
Got me thinking about her brown eyes
Got me dreaming about her all night
Siempre liebre
Mi cielo y mi paz

She be my hell
My paradise
My sakeena
My chaos
A paradox
Play my like guitar
Stabbed me in my heart
It shattered like a petal of red roses
I'm bleeding out

Niña tú me arrancas
El silencio que te cantó
Llorar sin una lagrima
Ay! Morir de desencantó
No duermas no!
No duermas no!
Mantente despierta
Querida mía
Mantente despierta
Morena mía

Ohhhhh Leyla Leyla Leyla Leyla
Leyla she's the light if my life
Ohh she is my morena

Beauty that has always been
Got me thinking about her brown eyes
Got me dreaming about her all night
Siempre liebre
Mi cielo y mi paz

Hacerte siempre mía
Batalla a muerte contra el tiempo
Clavándome una lanza
Me tortura el sentimiento
Ya se! ya se que nada
Me has dejado de tu cuerpo
Solo quedo el mío
De amor ya descompuesto
Ay niña! es que me arrancas
Un silencio mientras canto
Y se me secan las palabras
Por que se me ha muerto el llanto

Ohhhhh Leyla Leyla Leyla Leyla
Leyla she's the light if my life
Ohh she is my morena
Beauty that has always been
Got me thinking about her brown eyes
Got me dreaming about her all night
Siempre liebre
Mi cielo y mi paz
