Outline in Color

I'm gonna get free
I'm gonna get free
Ride into the sun
She never loved me
She never loved me
Why should anyone

Come here come here come here
I'll take your photo for ya
Come here come here come here
Drive you around the corner
Come here come here come here
You know you really 'oughta
Move outta California

Get, get
Me, me
Far, far
When I got a lot to lose
Save, save
Me, me
From, from
Here

Come here

When it's breeding time
Look into your mind away

I'm gonna get free
I'm gonna get free
I'm gonna get free
Ride into the sun
She never loved me
She never loved me
She never loved me

Why should anyone

Come here come here come here
I'll take your photo for ya
Come here come here come here
Drive you around the corner
Come here come here come here
You know you really 'oughta
Come here come here come here
Move outta California
