

The Inglorious Archetype

Ov Sulfur

Look upon we darkened souls see through the twisted rooks ov grace
Equivocation under the aegis ov deception
Aghast the sciolism
This cruel coercion consumes them into giving up everything

Blind wretched inquest
Pointless, your words mean nothing
Innocent cries falling upon deaf ears
Cut and dried, calling out for blood

This inglorious archetype
Wretched swine
Extinguish variance
False divine

Purging through practice destruction
Wanting confessions after ripping out your tongues
All done in the name ov something you've never heard ov
Adopt these words, be smothered in pious filth

This inglorious archetype
Extinguish all variance

This inglorious archetype
Wretched swine
Extinguish all variance
False divine
No catechism ov the divine
Wretched swine
Indoctrinate or set ablaze
Burn me alive

Proselyte lest mort
Shift tenants, nullify devotion
Proselyte lest mort

Absolute dominion
