

Should

Over the Rhine

Bone dry, bone dry
Bone dry, bone dry

Should I never dance like Salome danced?
Bathing in rain and moonlight aflame
Should I never sweat? Surreal shadows
Rushing through my veins, good red blood run red
Yeah, yeah and

Bone dry, bone dry
Bone dry, bone dry

Should I never speak the wisdom of hands?
Should I never use the fingers that find?
Should I never read the words on my feet?
Leading me to you, the blind lead the blind
Yeah

Bone dry, bone dry
Bone dry, bone dry

Always, it does not mean anything
Always, God, no, no
Always, it doesn't mean anything
Always, God, no, no

Should I never feel the healing you bring?
Take a look at me, I'm breathing, I'm breathing
Should I trace a line from lips to heartbeat?
Shoulder and across to shoulder again
Yeah, yeah and

Bone dry, bone dry
Bone dry, bone dry

Always, it doesn't mean anything
Always, God, no, no, I know
Always, it does not mean forever
Always, I know, I know

Bone dry, bone dry
Bone dry, bone dry
Bone dry, bone dry
Bone dry, bone dry
