

Apathetic Boys

Overcoats

Apathetic Boys driving beat up cars at 25
Decided they're not wasting any more of my time
Gotta learn how to treat 'em right
Treat 'em apathetic boys

All this male noise got me so damn bored
I don't wanna hear about your band anymore

I built bridges to get to you
I felt it all so you didn't have to
If you don't care if I stay or go
Then I'm just gonna go
Go go go

Apathetic boys can you give me more
Apathetic boys do you feel anything at all

Apathetic boys can you give me more
Apathetic boys do you feel anything at all

Apathetic boys dressed like it's still 2004
Haven't you ever heard of a store
You've got no street cred
And by the way I've heard of Radiohead
I guess they're ok

I built bridges to get to you
I felt it all so you didn't have to
If you don't care if I stay or go
Then I'm just gonna go
Go go go

Apathetic boys can you give me more
Apathetic boys do you feel anything at all

Apathetic boys can you give me more
Apathetic boys do you feel anything at all

Apathetic boys can you give me more
Apathetic boys do you feel anything at all
Apathetic boys can you give me more
Apathetic boys do you feel anything at all
