

# Fix You

Overcoats

When you try your best  
But you don't succeed  
When you get what you want  
But not what you need  
When you feel so tired  
But you can't sleep  
Stuck in reverse

When the tears come streaming  
Down your face  
When you lose something  
You can't replace  
When you love someone  
But it goes to waste  
(Love someone but it goes to waste)  
Could it be worse?

Lights will guide you home  
And ignite your bones  
And I will try to fix you

High up above  
Or down below  
When you're too in love  
To let it go  
But if you never try  
You'll never know  
Just what you're worth

Lights will guide you home  
And ignite your bones  
I will try to fix you

Tears stream down your face  
When you lose something you cannot replace  
Tears stream down your face and I

Tears stream down your face  
I promise you I will learn from my mistakes  
Tears stream down your face and I

Lights will guide you home  
And ignite your bones  
And I will try to fix you
