

Kai's Song

Overcoats

I've been feeling down
I've been feeling restless
I've been feeling tired
Of this life

You were made for me
But will you wait for me?
When the party's over
Will you take me home?

How did I lose myself in
Everyone around me
But, oh God, I have never felt alive like this

Starin' at my face in the mirror
Are you coming back to me?
Are you coming back to me?
Starin' at my face in the mirror
Are you coming back to me?
Are you coming back to me?
Starin' at my face in the mirror
Are you coming back to me?
Are you coming back?

I've been changing faster than the weather
You're the only one who'd say a thing
But you been keeping your eyes to yourself

So don't lie to me
I know you don't like what you see
But I'm not going back
To how I used to be

How did I lose myself in
Everyone around me
But, oh God, I have never felt alive like this

Starin' at my face in the mirror
Are you coming back to me?
Are you coming back to me?
Starin' at my face in the mirror
Are you coming back to me?
Are you coming back to me?
Starin' at my face in the mirror
Are you coming back to me?
Are you coming back?
