

Leave The Light On

Overcoats

Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home

For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home
For myself when I come home

Leave the light on for my, my, myself
Leave the light on for my, my, myself
You don't know me at all
You don't know me at, at, at, at...

Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home
Leave the light on
For myself when I come home

I may break down if I let you look at me
I may break down if I let you look at me
Now you see me, now you don't
Now you see me, now you don't
Going, going, fast as I can
Going, going, fast as I can
We don't know what we are running from
We don't know what we are running from
Hey, hey, hey, hey

What if I don't make it home?
You're not there and the light's not on
What if I don't make it home?
You're not there and the light's not on
What if I don't, what if I don't, what if I don't, what if, what if
What if I don't make it home?
You're not there and the light's not on

Leave the light on (what if I don't, what if I don't)
Leave the light on (what if I don't, what if, what if)
Leave the light on (what if I don't, what if I don't)
Leave the light on (what if I don't, what if, what if)

Leave the light on
Leave the light on

Leave the light on
Leave the light on
Leave the light on
Leave the light on
Leave the light on

For myself when I come home
