

Little Memory

Overcoats

I saw you in my dream
It was late afternoon
I was just wandering through past lives lived with you
And I been thinkin' bout
It falls to you again
Hey

So pick me up don't run too fast
I promise I'll hold on till I'm the last one
Standing
Oh, down and down I'll go with you
Till all that's left is one
Little memory

Do you dream of me?
(Do you dream of me?)
Am I still running through your head?
(Running through your head)
Heard you're with some new girl
Making memories
I'm laughing to myself
I lost it all again
Hey

So pick me up don't run too fast
I promise I'll hold on till I'm the last one
Standing
Oh, down and down I'll go with you
Till all that's left is one
Little memory, mmm
So pick me up and you can run as fast as you want
And we'll get lost for the last time
When it's all done I'll let go
I just need one more
Little memory
When it's all done I'll let go
I just need one more
Little memory, little memory
