

# Bitter Pill

Overkill

Sometimes I'm lost  
And then I'm found  
Sometimes I feel  
Turned inside out  
I'm often silent when I'm screaming inside

Instead of love  
We tend to hate  
We never quite  
Appreciate  
How much the other person cares or tries

Hold me close  
Don't ever let me go  
Cause I'm confused  
But maybe someday I will know why

Sometimes I'm right as rain  
And when it rains it pours  
You're such a mystery  
Why can't I unlock the door  
All that glitters isn't gold  
Too much is overkill  
Love can be beautiful  
Or a bitter pill

And when I'm right  
I'm also wrong  
We give and take  
To get along  
There's so much more to this than I ever dreamed

And when you smile  
I have to laugh  
And when you cry  
I'm torn in half  
So calm and yet so loose at the seams

Oh  
Hold me close  
Don't ever let me go  
I'm confused  
But maybe someday I will know why

Sometimes I'm right as rain  
And when it rains it pours  
You're such a mystery  
Why can't I unlock the door  
All that glitters isn't gold  
Too much is overkill  
Love can be beautiful  
Or a bitter pill

Liebe kann eine bittere pille sein  
Eine bittere pille  
Liebe ist eine bittere pille  
Eine bittere pille

Liebe kann eine bittere pille sein  
Ich will ein bier  
Ich will besoffen sein  
Die ganze welt ist dumm  
Mir steht es so im hals  
Ich sage dir  
Die liebe kann nur luge sein

Hold me close  
Don't ever let me go  
Cause I'm confused  
But maybe someday I will know why

Sometimes I'm right as rain  
And when it rains it pours  
You're such a mystery  
Why can't I unlock the door  
All that glitters isn't gold  
Too much is overkill  
Love can be beautiful  
Or a bitter pill  
Or a bitter pill
