

Whatever It Is

Owen Riegling

She got eyes that cut you like a knife
And lips that taste like sweet red wine
And her pretty legs go to heaven every time
She's got a gentle way that puts me at ease
When she walks in the room, I can hardly breathe
She got a devastating smile, knock a grown man to his knees

She's got whatever it is
It blows me away
She's everything I wanna say to a woman
But I couldn't find the words to say
She's got whatever it is
I don't know what to do
'Cause every time I try and tell her how I feel
It comes out, "I love you"
You got whatever it is

You know I've never been the type that would ever want to stay
Bring 'em home at night, and they're gone the next day
But that all changed when she walked into my life
People asking why it is, tell 'em I don't know
It's just something 'bout the woman makes my heart go haywire
And she's gonna be my wife

She's got whatever it is
It blows me away
She's everything I wanna say to a woman
But I couldn't find the words to say
She's got whatever it is
I don't know what to do
'Cause every time I try and tell her how I feel
It comes out, "I love you"
You got whatever it is

And when she loves me
Girl, that's how I feel
And when she loves me, I'm on top of the world
And when she loves me, know I can live forever
And when she loves me, I am untouchable

She's got whatever it is
It blows me away
She's everything I wanna say to a woman
But I couldn't find the words to say
She's got whatever it is
I don't know what to do
'Cause every time I try and tell her how I feel
It comes out, "I love you"
You got whatever it is

Hmm, whatever it is
