

## Curtain Call

Owen

Here it is,  
the final curtain call:  
a gesture of gratitude and ego.  
Well, I'd be remiss  
if I didn't piss myself  
one last public act of disrepute to regret.

People used to pay  
to watch me sing and play  
but it seems  
more and more they come  
to spit in my face.  
Well I'm tired of speaking up  
and speaking clearly  
so the idiots in the back can hear me.

From now on it's do's and don'ts  
to a room of antique maps and ghosts,  
where I have been where I will go.
