

To The Sky

Owl City

Shipwreck in a sea of faces
There's a dreamy world up there
Dear friends in higher places
Carry me away from here

Travel light, let the sun eclipse you
'Cause your flight is about to leave
And there's more to this brave adventure
Than you'd ever believe

Birdseye view, awake the stars 'cause they're all around you
Wide eyes will always brighten the blue
Chase your dreams, and remember me, sweet bravery
'Cause after all those wings will take you up so high

So bid the forest floor goodbye
As you race the wind and take to the sky
You take to the sky

On the heels of war and wonder
There's a stormy world up there
You can't whisper above the thunder
But you can fly anywhere

Purple burst of paper birds this
Picture paints a thousand words
So take a breath of myth and mystery
And don't look back

Birdseye view, awake the stars 'cause they're all around you
Wide eyes will always brighten the blue
Chase your dreams, and remember me, sweet bravery
'Cause after all those wings will take you up so high

So bid the forest floor goodbye
As you race the wind and take to the sky
(Take to the sky)

There's a realm above the trees
Where the lost are finally found
Touch your feathers to the breeze
And leave the ground

Birdseye view, awake the stars 'cause they're all around you
Wide eyes will always brighten the blue
Chase your dreams, and remember me, sweet bravery
'Cause after all those wings will take you up so high

So bid the forest floor goodbye
As you race the wind and take to the sky
You take to the sky
(You take to the sky)

You take to the sky
