Me bring the fight and then me conquer all of my fears  
Me see Oxlade a do it like a Nike Air

Lord show me my friends and show me my foes  
Where I'll be heading, only God knows  
I'm breaking barriers, standing ten toes  
So, Jah guide me through the tough roads  
Teach me how to break bread Lord (Twenty-One days)  
You know me tryna change the world before I go  
So we gotta praise the Lord, I read the bible  
Them a fi know we a chosen ones

I am blessed  
Nobody can fi test me  
Nobody can contest me  
'Cause them know say I am blessed

Stack the millions every sec, every day, every week
