

DIRTY

Oxlade

Yeah
Oh no

Rock you up like a rizzler
When you put it down
Put your soul into it
Baby, I need that
Pull up my side
Let me fold you, fold you, fold you
Give me that feedback
Pum pum water
She knows, she knows
She knows it
Got me on speed dial
Baby, you got me on speed dial
Bladclat coachie so tight any time
I tap that booty so phat
Wanna clap that when I put it out, pull it right back
Break your back
For sexercise, tell me, do you like that
Girl, ya body shape like a lantern
Big anacon wanna strike that
Common sugar daddy
Let me give it to you dirty

Girl, put it on me
Slow whine, let me give it to you dirty
Girl, put it on me
Girl, put it on me
Girl, put it on me
Girl, put it on me

Girl, you know, oh oh
For you, there ain't nothing I can't do, uh uh
If I rough you up, can I get that kitty & your love, uh uh
Hallelu baby, splooge in your water
Girl, I be a sailor, uh
How you want, girl, you turn me on
And you got me singing, Ahn Ahn Ahn
Put your hands on my waist, waist
And call me mami
While I take your soul
Ain't got no time for all the chit chat
Andale, andale, andale, kitty therapy
Pussy wetter than the whole of Pacific
You will never be the same
You gonna miss this
Slippery when I drip drip drip
Get me lit lit lit
Put your back to sleep

Whoahhhh
Common sugar daddy
Let me give it to you dirty

Girl, put it on me
Slow whine, let me give it to you dirty
Girl, put it on me
