

Yeah, oh no, yeah  
Dis kind thing, no  
Fi make me go crazy  
Kiss your body

You know say you love me  
Tomorrow you be lowkey  
Trying to reach you all night  
But I've been unlucky  
I don't want you to lie  
'Cause everything, I notice  
And I've been trying to be the Mister Right  
But I've been unlucky, oh baby

All night, I've been searching for you, baby, all night  
I been think say you go dey online  
But baby, me, I've been searching  
For a while, oh, for a while  
All night, I've been searching for you, baby, all night  
I been think say you go dey online  
But I've been searching for you  
For a while, oh, for a while

Yo, dis kind thing, oh  
Fi make me go crazy  
Fi make me go  
Go lose my five senses  
Dis kind thing, oh  
Fi make me go crazy  
Make me kolo, ohh

You know say me, I no be player  
And I cannot wait to see you later  
Conversate with so we could connect  
Baby, better, yo, Sheila  
You been on my radar  
With me you're safer  
Baby on mi sofa, don't go far

Yo, dis kind thing, oh  
Fi make me go crazy  
Fi make me go  
Go lose my five senses  
Dis kind thing, oh  
Fi make me go crazy  
Make me kolo, ohh

All night, I've been searching for you, baby, all night  
I been think say you go dey online  
But baby, me, I've been searching  
For a while, oh, for a while  
All night, I've been searching for you, baby, all night  
I been think say you go dey online  
But I've been searching for you  
For a while, oh, for a while
