I go do the one wey dey work for me (no no no)
Wey dey work for me (no no no)
You know say I can't kill myself o (no no no)

Yeah omo what's the plan though
Tell me what's your angle
Made a couple jams now dey calling me the man bro
Made it with my gang so they couldn't understand show
Aim for the stars, there's no telling when you land o
All happens suddenly
Old school D'Banj flow
Now it's palmwine that's the sound they demand bro
Babes wan dey move and the boys don dey booze
'Cause the party don dey groove like a sunday rendezvous

Here in Lagos you know
Problem no dey finish
We all wanna pop so I stay on spinning
But life's a marathon you've got to pace yourself to win it
And faith in God is the key to knocking doors off the hinges
'Cause my health is my wealth
I can't kill myself
Play the cards I'm dealt to sell market like mile 12
Flows like the ocean you might find pearls
Ox tell 'em

I can't kill myself o (no no no)
Otumokpo no work for me o (no no no)
I go do the one I sabi o (no no no)
I go do the one wey dey work for me (no no no)
Wey dey work for me (no no no)
You know say I can't kill myself o (no no no)
I go do the one wey I sabi o (no no no)
I no go cut another man coat according to my size o (no no no)
I no go cross road wey dem put hazardous for light o (no no no)
