

OLOLUFE

Oxlade

Body original, body like Benzo
Body original, yansh no be silicone
Body original, body like Benzo

First thing first, this your matter, make me do the one thing
Whine to the soca, make I give you one touch
I personally want you to be my thing (Baby, nobody, oh)
Interesting quite
'Cause the way you whine your body make me daku
Call the dokita, I need testing now
'Cause the way you whine your body make me daku
Call pastor, I need repenting-ting

Ololufé ma je a ja o
You know it, e no go favour you, e no go favour me
Baby, bia ne ba o
You better come, come, come, kulosa
My sweetie baby, ma je a ja o
E no go favour you, e no go favour me
Baby, come near, oh (Me near, oh)

You're my torf, you be- you be- you be-
Body original, yansh no be silicone
You are, you be- you be- you be- my torf
Body original, body like Benzo

Omaricha biko, shh, wherever we go
Now me and you, kissing, touching, look out the window
Come and sleep on my pillow, uh, play some Camidoh
Sugar cane, mix with a little bit Davido
Twerking ma me, my men spreading the dollar, dollar
If you need some sexual healing, just holla, holla
I like your swagga, wo si town a just pop your collar
Ask around, they call me Mr. Lover, lover, I love you baby
One on the couch, that's for the road
Wo be to ouch, you ain't gotta be told
Pappi go make you proud, come to me when it's cold
A lot of stories to be told, stay close, baby

Ololufé ma je a ja o
You know it, e no go favour you, e no go favour me
Baby, bia ne ba o
Come, come, come, kulosa
My sweetie baby, ma je a ja o
E no go favour you, e no go favour me
Baby, come near, oh (Me near, oh)

You're my torf, you be- you be- you be-
Body original, yansh no be silicone
You are, you be- you be- you be- my torf
Body original, body like Benzo
You're my torf, you be- you be- you be-
Body original, yansh no be silicone
You are, you be- you be- you be- my torf
Body original, body like Benzo
