

# Whats Going On

Oxymoron

More shitty venues shooting from the ground  
while the cool places all are closing down  
subcultureçfə wiped out systematically  
but weçfəe not gone if you drive us away

Angerçfə rising, how surprising...

[Chorus:]

What the fuck is going on here  
Where to go, say, where to go ?  
Youçfəe scared us off but weçfəe still out there  
Whatçfə up, man ?  
What the fuck is going on here  
Where to go, say, where to go ?  
This scheme of yours ainçfə getting nowhere  
Whatçfə up anyway ?

Punkrockçfə banned, "skins donçfə get in here" ...  
Itçfə getting hard to set up gigs somewhere  
Our cities dying through the councilçfə hand  
where once we went to now thereçfə fallow land

Tidy nation operation

Your townscape suffers from the likes of us  
Did you expect us to be off so fast ?  
You can take away our clubs and tear them down  
but you ainçfə rid of us ?weçfəe still in town...

Youçfəe gonna get your fucking doors kicked in
