

Fortune

Oz

Never ride on the streets
Climb the fences all 'round
To the places ringed with heat
Fools that go back never rebound
Mein Kampf, money knows
And of all my resource
Lucifer rings the bell

*Fortune, make a fortune
Fortune, make a fortune
Fortune, make a fortune
Fortune, take it all

Let it go and roll the dice
Fling it like you can't lose
Take a fall, pay the price
Sell your high-heeled shoes

Fortune, make a fortune
Fortune, make a fortune
Fortune, make a fortune
Fortune, make a fortune
