Ozan

Here we go, back again my name is Baby Brown
Ladies with the booties, I'm back in town
Where my homeboys, we hang around
Good kids in the kitchen, oriental sound
I do my thing, I spend a lotta time with these booty things
I got it, 'cause I get it from my Hottie gang
(Hey hater!) No time, do your thing (Ah-ha)
Petty, petty brown the boss
I love my pretty bitches from head to toes
I got a lotta money from my weekend shows
And I get a lotta money (Shh) I don't talk

Baby what up, what you talkin' about
Hard to beat from where I fly
I'm high, I'm high, I'm high
(Boyfriend only wish he) Wet, wet
Baby what up, what you fussin' about
Catch me if you wanna hear my sound
My sound, oriental sound
(Boyfriend only wish he) Wet, wet
Party screamers on the floor
Get your battle going-ho
It's a bad day, down some blow
(Boyfriend only wish he) Wet, wet
Party people on the floor
Raise it up for one more show
It's a bad day, down some blow
(Boyfriend only wish he) Wet, wet

Top bogs come money, fuck the creme de la creme
Vicious, get paid when we there they just see us
Haters smile on my face, knuckle whorenness
See the money that I blow like a rap star plus
I'm a mother fuckin' alien, voice like a beast
Shine like the sun in the fuckin' sky
You can call me Mr. Perfect, gangsta phenomenon
I don't need a trunk, 'cause I flyathon
I'm a monster, I need a monster chick
Bitch with a booty, who love to eat nut
Stretch that pussy, make it wet like a pool
Splash mother fuckers with your squirt, no rules
(Mhmm) Ha-ha when she squirt, no rules
Believe that, when she squirt no rules
Yep, when she squirt, no rules
And he loves me when he makes me wet, wet

Down some blow
(Boyfriend only wish he) Wet, wet

Down some blow
(Boyfriend only wish he) Wet, wet

Look, I'm a bad boy sweetie
Tatted bad skull, head stares, new titties
I'm lookin' for a whore 'cause you wanna fuck with me

Pussy wet, bad girl, bitch so ah
Bad boy knowledge from a bad boy town
Bad boys everywhere in my bad boy round
Bad bitches wanna know, get the crown
I'm the best of the best, I don't need to show

Down some blow
(Boyfriend only wish he) Wet, wet
