

Hey, hey, hey, hey, come on

Them cowards wasn't worth a hill of beans
Flesh dies from the shock, spirit lives
Heard shots in the Philippines
Ain't nothing funny how this went down
My homie Rob got sprayed by some kids the age of Chris Brown

They pulled up on him and asked him if he gang banged
Nodded no, they still shot him in the body though
And you could tell he was loved from the scene of the funeral
About a hundred cars, 20 limousines

Caught the ones who did it
Took 'em to court, they nonchalant
Hope the judge throw the book at them dorks
Treating the trial like it's funny business
Somebody should've told them about this path
Ain't no money in it

Now they're 25 to life, what life it is
But it didn't get 'em nothing 'cause my brother Rob lives
Twenty-five to life, what a life it is
But it didn't get 'em nothing
'Cause my brother Rob lives, rock on

Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey
Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo

So you all know how the story goes
These they give you junk and promise you gold
Cats in your ear with the same old story
Give you the world just leave me the glory

What you know about, no time to think
Too many words, no time to blink
Don't underestimate the power of the hustle
Hoodwink, bamboozle or muscle

I believe it when I see it and when I see it let me hold it
For old times sake
Politicians got this shit down pack
Tricks out of they sleeve, tricks out of they hat

Some can even act
The govenator in true lies and Jee Tub as cactus jack
And if you believe that
Solo mentiras, eses tontito se lo cree en todo

Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey
Creo Cuando Lo Veo, hey, hey
Everybody move to back, move to the front

Pero mira que lo creo, creo

Cuando yo lo veo, veo
Y cuando yo lo veo, veo
Eso cuando yo lo creo, creo

Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey

Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo, hey
Creo Cuando Lo Veo, hey, hey
Creo Cuando Lo Veo
