

# All My Life

Ozzy Osbourne

I was standing in the edge  
Looking down at myself as a child  
And he looked back at me  
Crying tears of defeat  
From his eyes  
He said I know all the lies  
That you hide behind every fake smile  
Am I gonna be lonely like you

For all my life  
I've been living in yesterday  
All my life  
A dollar short and a day too late

I was standing in the edge  
Looking down at the drink in my hand  
And it looked back at me  
Saying how in the hell  
Have you been  
I've been dryer than dirt  
Dragging all of my thoughts through the quick sand  
Now I'm quenching my thirst and I'm running like

All my life  
I've been living in yesterday  
All my life  
A dollar short and a day too late  
All my life

Heaven can take me  
But no one can save me from hell again  
You'll never erase me  
I'm back on the road again

All my life  
I've been living in yesterday  
All my life  
A dollar short and a day too late  
All my life

All my life
