

# Dissention

Ozzy Osbourne

found out you're really something  
they talk about you,  
then turn your confidence against you  
now into nothing

grinning from the daze  
petrified and blazed  
feels good to know they care  
special friends simply two faced

you couldnt let go  
your talking got you here,  
tearing up everyone  
respect, you don't know

they say i'm jaded  
cause they know its true,  
with all those silly people  
on the wonder wheel

glizen from the daze  
purified and crazed  
feels good to hear them share  
hateful friends simply two faced

you couldnt let go  
your talking got you here,  
tearing up everyone  
respect, you don't know

dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live let go  
dont waste your fucking time  
let live  
dont waste your fucking time  
dont waste
