

One Up The "B" Side

Ozzy Osbourne

Get it up, keep it up as good as you can
The change is as good as the rest
Is it to be or not to be when it hits the fan
This is the ultimate test.

One up the b-side
One up the b-side

Sing it or shout it out, the bent overture
Let me hear it at my request
You may think it's funny but I don't know why
It gets it all off your chest.

One up the b-side.
One up the b-side.

One up the b-side.
One up the b-side.

I gotta do it just another time
Or else I'm gonna lose my mind
The answers simple and it's straight to the point
You can see it coming from behind.

One up the b-side.
One up the b-side.
One up the b-side.
