

See You On The Other Side

Ozzy Osbourne

G Emi C

Voices, a thousand, thousand voices

G Emi
Whispering, the time has passed for choices

C G
Golden days are passing over, yeah

D Ami G
I can't seem to see you baby

D Ami G
Although my eyes are open wide

D Ami G
But I know I'll see you once more

D Ami Emi
When I see you, I'll see you on the other side

D Ami G
Yes, I'll see you, I'll see you on the other side

G Emi C
Leaving, I hate to see you cry

G Emi
Grieving, I hate to say goodbye

C G
Dust and ash forever, yeah

D Ami G
Though I know we must be parted

D Ami G
As sure as stars are in the sky

D Ami G
I'm gonna see when it comes to glory

D Ami Emi
And I'll see you, I'll see you on the other side

D Ami Emi
Yes I'll see you, I'll see you on the other side

Ami G
Never thought I'd feel like this

Ami G
Strange to be alone, yeah

D G
But we'll be together

D A D A D A
Carved in stone, carved in stone, carved in stone

G Emi C
Hold me, hold me tight, I'm falling

G Emi
Far away. Distant voices calling

C G
I'm so cold. I need you darling, yeah

D Ami G
I was down, but now I'm flying

D Ami G
Straight across the great divide

D Ami G

I know you're crying, but I'll stop you crying
