Now I'm back out on the street again
It never rains unless it pours
Try to get back on my feet again
I hear the raging thunder as it roars

Tonight, tonight
Is it just a rhapsody
Or am I right?
Tonight, tonight
Is it all a mystery?
I just can't fight no more

I hear the questions surface in my mind Of my mistakes that I have made Times and places I have left behind And am I ever gonna make the grade?

Tonight, tonight
Is it just a rhapsody
Or am I right?
Tonight, tonight
Is it all a mystery?
I just can't fight no more

As I beat my head against the wall Running 'round in circles in vain I'm feeling three foot tall You don't understand I'm fading away

Don't want your pity or your sympathy It isn't gonna prove a thing to me Good intentions pave the way to hell Don't you worry when you hear me sing

Tonight, tonight
Is it just a rhapsody
Or am I right?
Tonight, tonight
Is it all a mystery?
I just can't fight
