

Be Down

P-Lo

You know that I'm gone all the time
When I'm gone am I still on your mind?
When I'm gone do you still put me first?
Would you do anything to make it work?
You know that I'd be down for ya
I'll probably take a round for ya
Them other hoes don't even matter
I got some questions that you gotta answer

Girl, you seem to love me now
Would you love me if I was down?
And now, down and now
But shawty would you be down? (Shawty would you be down? Shawty would you be down?)
Shawty would you be down? (Shawty would you be down? Shawty would you be down?)

Doing things that I don't do
Would you do the same?
A lot of shit going on
Would you remove the pain?
No I ain't got time like that
Tell me who to blame
If I was dead broke
Would you be ashamed?
Or would you just let me hold something
Don't listen to yo friends cause them hoes know nothing
We can just chill shawty you can roll something
Before that I gotta know something

Girl, you seem to love me now
Would you love me if I was down?
And now, down and now
But shawty would you be down? (Shawty would you be down? Shawty would you be down?)
Shawty would you be down? (Shawty would you be down? Shawty would you be down?)

I just wanna chill and twist a lot
You a ten and them other hoes a five
You drive me crazy shawty I
Need to see you and feel you next to me
I provide everything you need and I
Like your smile and I wanna see you girl
Got some questions that I gotta ask about
Hope you can come up with the answers babe

Girl, you seem to love me now (You seem to love me now)
Would you love me if I was down?
And now, down and now
But shawty would you be down? (Shawty would you? Shawty would you? Shawty would you?)
Shawty would you be down?
Shawty would you be down?
Would you be down?
Would you be down?
Would you be down?

Would you be down?

Would you be down?

Would you be down?

Would you be down?

Shawty would you be down?

Shawty would you be down?

Shawty would you be down?
