

# Can't Break Code

P-Lo

What we doin' out here in The Bay is just trying to get our little revenues  
on  
And put the game on the shelf, ya dig  
And just get this, this-this-this legal skrill  
Ay, ay  
It's only mafia  
Ay, yeah

Ay, uh, I cannot break code  
Ay, uh, I do not chase hoes  
Ay, yuh, all about bank roll  
Ay, this is something that they know  
Ay, yuh, I cannot break code  
Ay, uh, I do not chase hoes  
Ay, uh, all about bank roll  
Ay, this is something that they- Yeah

This ain't no fad, shook on your bag  
Might do this shit with no mask  
Gettin' big cash, yellow boy cap  
I don't look shit like my dad  
Left out the map, wanna do raps  
They say this shit is a slap  
Creating the gap, shit getting sad  
When I drop this, it's a wrap  
I cannot fold, bendin' the mold  
Burberry shit when I'm cold  
I cannot post, praying I go  
Got this shit locked in a choke  
From where they go, you could get froze  
I am the one that was chose  
Me and my bros knew I would blow  
Tied with the gang like a rope  
Gold from Dubai for a bracelet, uh-huh  
Slept on floors, now my place big, uh-huh  
Booty poking, and her waist thin, uh-huh  
Let me see just how the face hit, uh, uh

Ay, yuh, I cannot break code  
Ay, uh, I do not chase hoes  
Ay, uh, all about bank roll  
Ay, this is something that they know  
Ay, uh, I cannot break code
