

Can't Lose

P-Lo

Yeah, P-Lo, time to bring the bass back
Ooh

Ooh, rockin' everything new
Couple bitches came through
Knowin' that I can't lose, yeah
Ooh, knowin' that I can't lose
Ooh, knowin' that I can't lose

Ooh, yeah, yeah
Rockin' everything new, yeah, yeah
Couple bitches came through, yeah, yeah
Knowin' that I can't lose, yeah, yeah
Ooh, I woke up this mornin'
Looked at the top and I'm on it
Know that they prayin' I don't win
Don't touch it, baby, they don't spin
Woah, touchin' fast money but I count it slow
Couple bad bitches know they down to roll
Bet that she gon' shake it like she on the pole
Trynna give me spine when she want it slow

But I got no time
Why they always playin' both sides?
Know I need my money on time
That's why I can't lose and it's all mine

Ooh, rockin' everything new
Couple bitches came through
Knowin' that I can't lose, yeah
Ooh, knowin' that I can't lose
Ooh, knowin' that I can't lose

Oh, yeah, know I can't lose
She gon' shake it for me, touch her ankles
Uh, young boy 'bout the bankroll
Tried to stop me but they can't, no
Uh, I done made my mind up
Had to wake 'em up 'cause they was sleepin' on me
Now your time up
My tank on full and you runnin' on E
I just put the pedal to the floor
Every time I get it imma score
Bad lil' thing, she a go-er
I ain't even know her
I just got the face, now I'm bored

But I ain't got no time
Why they always playin' both sides?
Know I need my money on time
I swear I can't lose and it's all mine

Ooh, rockin' everything new
Couple bitches came through
Knowin' that I can't lose, yeah
Ooh
Ooh

Ooh, rockin' everything new
Couple bitches came through
Knowin' that I can't lose, yeah
Ooh, knowin' that I can't lose
Ooh, knowin' that I can't lose
