

Don't Think

P-Lo

Yeah

Still with the ones from the jump
I know J.R. got my back like the Trump
People love makin' the music, rather stunt
They usually don't make it where I'm from
I'm the exception, the anomaly
Phone hit me from the cell, say he proud of me
Know that I'm the one, yeah, I gotta be
Dedication, preparation, that's what time it is
Yeah, uh, okay
I'm in pocket now
Really don't say much, there be opps around
Used to play the back, but I got it now
Inspiration, lookin' at the plane and I jotted down
Scarface, the world is yours if you want it bad
Four text in my phone, still don't call her back
Throw the alley to myself, caught it off the glass
Spent the dough with my bros, it ain't hard to pass

They don't know me, ayy
For the fam, I got O.T., ayy
Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)
They don't know me, ayy
For the fam, I got O.T., ayy
Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)

Dizzy, if you hear me, big brother, show me a sign
I been talkin' to the sky, people think I lost my mind
John, if you hear me, big brother, show me a sign
I been talkin' to the sky, people think I lost my mind
I been talkin' to my granny 'bout her health, she say she fine
I can tell that that's a lie, see the yellow in her eyes
Gotta stand right by her side through these times, yeah
I'ma stand right by her side through these times, yeah
My brothers always died and I cried, yeah
'Cause that was just too much for me to dodge, yeah
It's fucked to sucker mindset
And any kid that mom's said
Blood, you know we ran it up and all that God said
Bitch, you pay like five cents
And you still ain't slide yet
We used to hit the bank with all the fried chips
Now niggas sign checks
Who I'm finna sign next?
New key, Maserati, I'm drivin' like I'm tryna wreck

They don't know me, ayy
For the fam, I got O.T., ayy
Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)
They don't know me, ayy
For the fam, I got O.T., ayy

Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)

Now why, why is dreamin' important?
I don't care what level you get to, I need you to dream
Right, I need you to dream, God
I need you to spend a considerable amount of time dreamin' every single day
Let me tell you why
I notice that the people dream and those people dream big have a different k
inda life than people who don't dream
So I need y'all do me a favor
I need you to get, I need you to be selfish on the dream piece
Because what you have to understand is when you know who you are, and you st
art operatin' that, you gon' start blessin' people in a way you couldn't ble
ss people before when you didn't really know who you were
So, so, so, I want you to identify rightly so
You told me which one you were, now I want you to write all three down again
And I want you to write down what you wish to be

They don't know me, ayy
For the fam, I got O.T., ayy
Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)
They don't know me, ayy
For the fam, I got O.T., ayy
Savage for my bros, I don't think
(Ain't gonna stop when we go)
(Headed for the top, know we close)
