

In That

P-Lo

Uh, yeah
And it's Heartbreak Gang, bitch
Oh, huh, yeah, uh
P-P-P-Lo, time to bring the bass back

Sup with a freak bitch
Tight dress no panties underneath it
Tryna give her that defense
But I leave that ho speechless
Still mobbin' with my whole gang
I don't want a piece, I want the whole thang
If she let me in bet I go crazy
If she let me in bet I go crazy
Never give her that paper
She ain't gotta wear makeup
Hit it right when I wake up
And I ain't got time for a hater

You know I got cash to get
She ain't got bread, I ain't havin' it
You know I go deep in it
Hit it two times then I'm leavin' it
P-Lo
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up

I'm riding it clean, I'm doing my thing
HBK, ho you know what it mean
Make a ho faint when I step on the scene
Heard my song once, wanna be on my team, uh
I can't stop this mackin'
Every time I hit, I need a magnum
Shawty tryna fuck cause I'm a factor
Shawty tryna fuck cause I'm a factor
But girl you don't get none
Whippin' all day got my wrist numb
We cannot talk [?] no income
Gold teeth in my mouth make yo' bitch cum

You know I got cash to get
She ain't got bread, I ain't havin' it
You know I go deep in it
Hit it two times and I'm leavin it
P-Lo
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that

Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up
Yeah, yeah I go crazy when I'm in that
Straight up

Still mobbin' with my whole gang
