(P-P-P-LO, time to bring the bass back)

Look, I don't need my money now, I need it right now (I need it now)  
Look, step up in the club, they turn the lights out (Turn 'em out)  
If you fuck around enough, then you gon' find out (If you fuck around

Made so much money, bae, eyeball, yes (Eye, yes)
