

## LIL LAD (UNIMPRESSED)

P-Lo

When I was a lil lad I took trips with pops  
Oakland  
Richmond  
Bendin the block  
You look just like yo pops, use to get it a lot  
You like cash? Great. I get it a lot  
Everybody know I'm there if I'm up in the spot  
They askin you if you was there you must've sat at the top  
Maybe you was outside I don't know that's not  
For me, guess  
Made a few bands, I'm unimpressed  
Blessed  
You hear the blap, I'm from the west  
Guess  
How many niggas done sold less

Than this young black nigga from the V  
You tryna do it indie?  
Tuuhhh come with me  
You really in yo backyard?  
Come and see  
But if you cross the line, that's a 2 not a 3

Under 20k, that's a favor not a fee  
You see me in her post, it's a clone not me  
I only like women with some money and a mind  
Oh you broke? I'm a mime  
The wheels on this bus don't align  
I'd rather get change  
Than fuck a dime

This psilocybin, it fuck with ya mind  
This dick good, it fuck with ya spine  
Run, Jump, NFL Combine  
On time  
That's how I like mine

Shoutout pops  
He taught me how to grind  
I'm still major  
I just didn't sign  
A thousand reps, I'm Nice  
Kind  
Probably cuz I do all the time

When I was a lil lad I took trips with pops  
Vallejo  
Sac  
Bendin the block  
You look just like yo pops, use to get it a lot  
You like cash? Great. I get it a lot

Everybody know I'm there if I'm up in the spot  
They askin you if you was there you must've sat at the top  
Maybe you was outside I don't know that's not  
For me, guess  
Made a few bands, I'm unimpressed

For me, my god  
Made a few bands, I'm unimpressed

I'm unimpressed  
Brand new chain, I'm unimpressed  
Brand new whip, I'm unimpressed  
Yo face, I'm unimpressed
