# Mental Health

**P-Lo**

Ayy

I just had to cut a bitch off (Bitch)
I did it for my mental health, yeah
I just had to cut a bitch off
I did it for my mental health, yeah (Bitch)

Yeah, uh, h-h-had to cut a bitch
Ayy, [?] checks from governments
For the gold, gimme the ball, I run it in
[?], I want all the money in
Even when I'm in my feelings, I can't show it (Show it)
It's either you dead or you growin' (Growin')
I cannot last, [?] me
Don't you blame me 'cause you lazy
Where I'm from, they talk fast, people listenin' slow
I just do it for the fam, I do this shit for the bros
Hatin' never do you good, try a different approach
Hatin' never do you good
And that's why—

I just had to cut a bitch off (Bitch)
I did it for my mental health, yeah
I just had to cut a bitch off
I did it for my mental health, yeah (Bitch) (That shit come here, like)
I just had to cut a, ayy, ayy

It's a, it's a new day
We done break it down, it's dark and purple, call it ube
Had to cut you off but take my mental from your mood swings
Come feel what the norm, and I had goals outside your view range
Went from shopping used, now I'm on new things
And later on the beach, I'm watchin' [?], yeah, yeah
Blessed up on my section where them guns blow, yeah, yeah
How you blamin' me 'cause your funds low?
Game'll hit you fast, you better not learn slow 'cause that'll be your ass
Started from the bottom, now the speakers we got blastin'
Show me you a snake, I put the clippers to the grass, uh
I'm a [?], you an [?] comin' last
Bitch, I'm not just Lucky, yeah, I'm really 'bout that action, yeah

I just had to cut a bitch off (Bitch)
I did it for my mental health, yeah
I just had to cut a bitch off
I did it for my mental health, yeah (Bitch)

'Cause we didn't last at my own [?]
Y'know, I had a couple of players, I played with that, y'know what I mean?
They no longer here no more, they no longer
So I mean, feel me? Start takin' care of y'all, [?], your bodies and y'all c
hicken for me, y'all
You know, when you walk away
Walk away, and you'll be able to do what you wanna do
I appreciate it, thank y'all, and have a good day
