

What would they say?  
Fuck what they say?  
Aye  
Yeah, yeah

Young P-Lo the boy  
Young P-Lo is him now  
Fitted with the rim down  
Call her when I'm in town  
To my dreams I'm in route  
In my own lane, fuck a carpool  
Her friend want the D too, call her R-2 (Damn)  
This shit is amazing  
All these girls fuck with an Asian  
Put this song up on your playlist (Aye)  
Thought I couldn't ball, I'm Calvin Cambridge  
Only reppin' gang shit (Aye, yeah)  
Finna do it bigger than my ears (Yeah, yeah, aye)  
Checks like vodka how they clear (Aye, aye, yeah)  
Never am I looking in my rear, that's how you trip up  
Got my game from the players with the pimp cups

I don't give two fucks 'bout what they say  
Tryna ball not tryna main-tain  
'Cause life's so crazy  
But it's all gravy (Aye)  
But I'm gon' thrive  
But I'm gon' thrive  
Only gang, never both sides  
But I'm gon' thrive  
But I'm gon' thrive  
On the way just hold tight  
Hold tight

Uh, only I can stop me  
Feeling like Rocky  
Underdog underdog, but I'm hot, I'm hot I'm Takis  
This that motherfucker hype beast  
Uh, I thrive off that energy  
This one's for memories, this one's for legacies  
Not a grad, so this not for chemistry  
This one for Hennessy, this one for enemies  
Uh, screaming fuck 'em, fuck 'em, fuck 'em all (aye)  
Get the check and split it with my dogs (aye)  
Everything they say is always false  
I used to shop at Ross  
But now I'm Saks Fifth's, Barney's  
Crib not an apartment  
Still with who started  
Got it from the carpet  
That mean we got it from the ground, from the ground  
Only gang, no you can not be around

I don't give two fucks 'bout what they say  
Tryna ball not tryna main-tain  
'Cause life's so crazy  
But it's all gravy (Aye)

But I'm gon' thrive  
But I'm gon' thrive  
Only gang, never both sides  
But I'm gon' thrive  
But I'm gon' thrive  
On the way just hold tight  
Hold tight

"No matter how many people tell me stop believing in yourself  
Stop saying what you can do  
Stop affirming what you can do and then confirming that in real life  
I refuse to follow those rules that society has setup  
And the way that they control people with low self esteem"

I don't give two fucks 'bout what they say  
Tryna ball not tryna main-tain  
'Cause life's so crazy  
But it's all gravy (Aye)  
But I'm gon' thrive  
But I'm gon' thrive  
Only gang, never both sides  
But I'm gon' thrive  
But I'm gon' thrive  
On the way just hold tight  
Hold tight
