Still run this shit, if I ain't have no legs
Riding always, man that shit dead

Fuck em like cool, mama ain't raising a fool
Can't trust a ho that's the rule

Yeah well fuck em I jus doubled what the quote is
I ain't even want that bitch, I let the bro hit
I just really want the bag, bitch I'm focused
I just pulled up it's like midnight

Know I look good, but I been fine
Know my drink dark, but my bitch light
