P-Lo

Cal-A

Tryna come around, like you been around me baby
I know you, (yeah, ayy)
I could tell you 'bout it, but won't tell you 'bout it
Trust me, I won't (yeah, ayy)

No baby you can't get my time
Only choosing 'cause I'm in my prime
Bad thing you never hit my line
Bad thing you wasn't by my side

You was sleep
Now you woke, now you woke
Gotta stunna on you
You was sleep
Now you woke, now you woke
Gotta stunna on you
You was sleep
Now you woke, now you woke
Gotta stunna on you (ayy)
You was sleep
Now you woke, now you woke
Gotta stun-

Baby do you regret?
Could have showed you better, but you denied (yeah, ayy)
I ain't gotta stress why giving this a try would be fine (yeah)

No baby you can't get my time
Only choosing 'cause I'm in my prime
Bad thing you never hit my line
Bad thing you wasn't by my side (yeah)

You was sleep
Now you woke, now you woke
Gotta stunna on you
You was sleep
Now you woke, now you woke
Gotta stunna on you
You was sleep
Now you woke, now you woke
Gotta stunna on you (ayy)
You was sleep
Now you woke, now you woke
