

Yours

P-Lo

Got a vibe, got a vibe wanna match it
Every push should've come with a casket
You be killing it, you be killing it
Hey, yuh, aye
P-P-P-Lo time to bring the bass back

What I'm saying all facts though, I might be lit
Something for the mood, don't need no hyphy shit (aye)
They don't ever come close to the vibe we get (aye)
If I wasn't fucking with you, prolly I'd be pissed (uh)

I wanna take things slowly (take things slowly)
Be your only (be your only)
Never leave you lonely (leave you lonely)
You know that they not for me

I just wanna be yours (just wanna be yours, be yours)
You won't need no one else, no one else (else)
I just wanna be yours (just wanna be yours, aye)
You won't need no one else, no one else (else)
I just wanna be yours (just wanna be yours, be yours)
You won't need no one else, no one else (else, aye)
I just wanna be yours (just wanna be yours, be yours)
You won't need no one else, no one else (else)

Got a vibe, got a vibe wanna match it
Every push should've come with a casket
You be killing it, you be killing it (killing, killing it)
Aye, shawty I need them [?], don't think uniqlos
Aye, you can tell them it's finito, I ain't no cheapo
I don't wanna be your first, wanna be your last
Type to make me wanna cuff, I don't need a badge
Looking at your ex-man when you need a laugh
We just going with the flow, never need a plan

Let me can take things slowly (take things slowly)
I wanna be your only (be your only)
Never leave you lonely (leave you lonely)
You know that they not for me

I just wanna be yours (just wanna be yours, be yours)
You won't need one else, no one else (else)
I just wanna be yours (just wanna be yours, aye)
You won't need no one else, no one else (else)
I just wanna be yours (just wanna be yours, be yours)
You won't need no one else, no one else (else, aye)
I just wanna be yours (just wanna be yours, be yours)
You won't need no one else, no one else (else)

Got a vibe, got a vibe wanna match it
Every push should've come with a casket
You be killing it, you be killing it (killing, killing it)
Got a vibe, got a vibe wanna match it
Every push should've come with a casket
You be killing it, you be killing it (killing, killing it)
